"NEW" GRIDDLE STANDS

Superior Built Refrigeration Solutions.

Continental Refrigerator products are built with quality and performance in mind. Our refrigeration systems are without equal in their commitment to the highest standard of excellence. This is best seen in Continental's additional levels of insulation, controls and cabinet construction. But keeping food safety in mind is only the beginning at Continental. Knowing what our customers need is essential to our mission. Whether it's a single unit or a customized solution, Continental can create a "Best in Class" solution to fit the needs of virtually every foodservice operator.
